Dear Parents,

As we begin planning for the next school year, we would like your feedback! Please take the **Comprehensive Needs Assessment**. This survey is available online at <https://educationresources-llc.com/CNA/2021/2021Harrison/2021Harrison.html> or you can find it on our webpage at www.harrison.k12.ms.us

You can also scan the QR code below to take you directly to the survey:

We are asking all stakeholders to provide us feedback: staff members, parents, students (6th grade and older) and community members.

These surveys are anonymous and provide the district with valuable feedback to plan for the next school year. The information from these surveys will be used to improve the overall educational program in our district. These surveys will remain open until March 1, 2021.

Thank you for all you do!

Harrison County School District is committed to providing a healthy, safe, and caring learning environment that is dedicated to quality instruction. Through high expectation and academic excellence, students will be productive citizens, empowered leaders, and lifelong learners.
